To make your search easier, an additional **filter function** allows you to sort the entries

- by creation date,
- by expiration date,
- alphabetically (A – Z, Z –A).

The **Information Service Research, International, Transfer - FIT** provides you with targeted and tailored **information on research funding**. Use your e-mail address to register in FIT and create an **individual user profile**: You determine the scientific fields, types of funding as well as funding bodies about which you would like to receive information. At a time of your choice, you will receive an e-mail with the current funding information that is important to you. If you need additional information, you can **search our database** at any time.

Please note that the FIT user interface as well as most of the articles are in German!

Registration

If you are using FIT for the first time, registration is required before you can log in for the first time. This is done at: fit.uniks.de

1. On the login page of the newsletter click on: **„Noch kein FIT-Abo? Hier registrieren"**.

2. A registration mask will open in the following. Please enter the **e-mail address of your institution, first and last name** and choose a **secure passwort**.

   ⚠️ It is not possible to register with a private email-adress.

3. You will then be redirected to the **privacy policy**, which you must confirm in order to proceed with registration.

4. You need to confirm your email address. To do so, please go to your mail program and click on the link you received from FIT. You will then be able to complete the second part of the registration process.

5. Finally, we need some **personal information**, as well as your **preferences for the newsletter.**

   ⚠️ Please select from the list of institutions the one through which you received your access authorization.

Individual Funding Information
